Tournament Fee:

- Entry fee to be set by host club.
- Tournament fee pays for 18 holes of golf, cart, a meal after the event, and the Tournament payout.

Members:

- A complete and up to date membership list will be provided by Nensga.
- Host Club must check entries with membership list.

Paybacks:

- NENSGA wants to pay as many players as possible, rather than have any single player receive a large payback, so ...
- We encourage giving flag prizes to give more players a chance at receiving something back.
- Pay no more than 1 to 1-1/2 times the entry fee for 1st place in **each** flight. (i.e. \$50 entry fee should pay \$75 maximum for 1st place).
- Pay as many places in **each** flight as possible.
- Try to make paybacks divisible by two and have the appropriate denomination of currency for easy division between players
- If using merchandise certificates, host clubs must inform NENSGA so that we may post on website, have enough inventory on hand to provide choices for players, and please have certificates preprinted. Merchandise Certificates can only be used by those Courses with a PGA Professional as Course Superintendent or Manager if so requested.
- Payback will be a minimum of 30% of the gross registration fees.

- In the event of ties, all ties will stay in the same flight. This may result in some flights having more or less than the other flights
- In the event of ties in each flight, placings will be determined by scorecard play-off using the highest handicap hole and continuing in sequence until a winner is determined. On 9 hole Courses, that will mean the #1 handicap hole on the first nine, followed by that same hole on the second nine and continuing that sequence until a winner is determined.

Miscellaneous:

- Must be a member of NENSGA to play in tournament. Players who are not members must fill out a membership application and attach a check payable to NENSGA for \$15. The host club will then forward application and dues to NENSGA (application forms will be supplied to hosting clubs). Host club may consider letting a non-member play, (i.e. if player was needed to fill out tournament). If a non-member placed in the tournament, then the Host club would give the player a membership application to complete and apply \$15.00 of his winnings toward the players NENSGA membership, which would then be forwarded to the NENSGA Secretary.
- All putts must be putted in, **no gimmee's**.
- Players cannot improve lie from Rough to Fairway. You may move the ball 1 Club length on line of flight no nearer the hole, and this must be consistent from Tournament to Tournament.
- Host club will provide NENSGA with a copy of the Tournament placings, and \$1.00 per player.
- **Refunds**--full refund if cancellation is 5 or more days prior to tournament date. Cancellation of less than 5 days before tournament date will be entry fee less Course expenses (Cart and meal). Special circumstances at Course discretion. Host Club is responsible for determining what refund applies and return of all refunds due members.
- **Rain out Policy:** It will be the Host Club responsibility to make that decision. Members should call the Host Club if inclement weather is in the area. Host Club is responsible for re-scheduling or refunding entry fees. Host Club should notify the Nensga Secretary/Treasurer of their intentions as soon as a decision is made.
- Other than any exceptions noted, All USGA Rules will apply.
